

Studio Safety Protocols

For your comfort and the safety of your precious family we are happy to provide...

- Small, socially distanced In-Person classes
- Specially marked “music pods” and areas for each child or family
- Personal, clean instrument and prop tubs for each child and/or family
- Charcoal and ultra-hepa air purifiers in each studio
- Advanced cleaning protocols, including full studio electrostatic sanitizing
- Mask requirements for all adults in the building
- Mask requirements for children in our Level 3, 4 and 5 classes
- Staggered class start times
- Closed lobby - no lingering or waiting allowed and pick-up for older students occurs in the back hallway with social distancing in place
- Virtual Make-up options if you or your child is ill

Please Note: If you're not ready to return to the studio just yet, we have Virtual class options for your family.

We will continue to bring the power of musical learning both in studio AND at home so no one misses out on the joy, connection, growth and family time that only Kindermusik provides.
