

## Studio Safety Protocols

For the comfort and safety of your precious family we are happy to provide...

- Socially distanced classes with a marked spot for each child and/or family.
- Instrument and prop cleaning between classes along with instrument and prop rotation to ensure that anything you touch is clean and sanitized.
- Tissues, wipes and hand-sanitizers. Masks available, if needed.
- Charcoal and ultra-hepa air purifiers in each classroom.
- A mask requirement for all adults in the building in accordance with CDC recommendations for schools at this time.
- A mask requirement for children in our Level 3 and 4 classes as well as all specialty camps in accordance with CDC recommendations for schools at this time. Masks removed for our socially distanced snack time in our specialty camps.
- Staggered class start times to ensure distancing and limited crowds.
- A closed lobby - no lingering or waiting in our lobby during camps or classes. Parents mask and socially distance as they drop a child off for a camp or class and when returning for Sharing Time. Adults leave the building during their child's drop-off camp or class.
